

CONGRATULATIONS!

We are so excited to be part of your special day!
Let's make it official!

There is a **non-refundable \$500.00 retainer** required to hold your wedding date. Some of the tasks paid for with this retainer include, but are not limited to, paperwork, planning, meeting and general office duties required to plan the florals for your wedding/event. Your date will not be reserved until the retainer is paid in full. Though this amount is not refundable, it will be posted as a credit to your floral balance!

Hannah's Flowers requires that wedding balances are paid in full no later than 30 days prior to the wedding date. You will be required to make full payment by 01/17/2024 t. Though you may make payments prior to that date. It is imperative that you make this payment on time to ensure that we are able to get the selection of botanicals you have selected. If this balance is not paid in good time, there is a chance that the design of your wedding, the selections and the costs may fluctuate due to our wholesalers not having your initial choices available on a reserve.

Should your wedding date be canceled within 30 days or less of your date, the cost of your flowers including specialty materials (product only) will not be refunded as Hannah's Flowers will be held liable for payment of said flowers with wholesalers. Hannah's will not give said product to the bride as cancellations are credited to the florist in the following months balance and will be used by florist to attempt to recoup the loss at a later date.

In the instance that Hannah's Flowers can not provide you with your wedding flowers due to a fault of the shop such as death, mechanical failure or bankruptcy, the bride will be refunded the entire balance paid within 60 days of said instance.
KS Hannah's Flowers

In the case of refunds, Hannah's will only work with the person who is the signer of this contract. Hannah's will not indulge in third party conversations when discussing billing.

Bride will be responsible for making sure that Hannah's Flowers has a working timeline for drop off and set up no less than one week prior to the wedding date.

Containers, vases and any personal items that will be incorporated into flowers must be dropped off, tag free, to our shop no later than one week prior to the wedding date by appointment.

Acts of nature

Because flowers are perishable products, there are unforeseen times where the product is suddenly not available due to storms, fire and import/export issues. Many of the products the United States uses for professional grade flowers come from other countries, as you can imagine this can, on rare occasions, cause challenges which affects florists across the nation.

Should this or any other circumstance happen beyond the reach or control of Hannah's Flowers, we will not be held liable. This is why it is important to agree to allow our designers to make secondary decisions for your flowers. By initialing you agree to not hold Hannah's Flowers liable for unforeseen product shortages RS (initial) you also agree to give Hannah's Flowers the buying power to make adjustments and select substitutes for your wedding selections RS (initial).
